Breaking News: Lexis Prep Has a New, Permanent Home!!

Dear Lexis Preparatory School Families:

Beginning with the 2014-2015 school year, the new home for Lexis Prep will be on the campus that was the former Cheyenne Elementary School (and most recently the Cholla Early Childhood Campus), located at 11130 E. Cholla Street, Scottsdale, AZ 85259. Lexis will be occupying 4 buildings on the campus which will comprise approximately 27,000 square feet. The move to the East Cholla Street campus will provide our students with expanded instructional opportunities and therapy services to complement our strong academic and extracurricular offerings. This campus gives us room to grow, and we anticipate being there for many years. It will be wonderful to pair this new campus location with our Lexis college focus and programs.

Thank you for your patience while we were anxiously awaiting the signed paperwork that allowed us to officially move forward with the next steps. Within the next week, we will be sending home the Lexis re-enrollment packages for the 2014-2015 school year. Over the next several weeks, you will be receiving more information about our plans for the new school year. Additionally, we are exploring transportation opportunities with a local school bus operator, and we will have more information available on this option soon.

We are committed to you and your children. Thank you for working with us to nurture your child's academic and social development. Together, we will continue to make Lexis Prep the premier school in the Valley for children who learn differently!

Sincerely,

Bonnie Dougherty, Head of School, and the Professional Ownership Team
