

Sorting it all out: Diagnosing ADHD and Asperger's Disorder

Do you feel confused when you go to three different professionals and get multiple diagnoses?

Dr. Melmed will explain the differences between ADHD and Asperger's Disorder and why there is so much confusion surrounding the diagnosis. Please come with questions, as Dr. Melmed encourages an interactive presentation.

RAUN MELMED, MD *Developmental Pediatrician*

Dr. Melmed is a Developmental Pediatrician and the Director of the Melmed

Center. For 30 years, he has been one of the primary providers of diagnostic and treatment programs for children

with learning and developmental difficulties in the Phoenix area.
